Under Armour said Friday it will sell its fitness app MyFitnessPal to Francisco Partners for \$345 million. The Baltimore-based sports apparel maker also will shut down operations of its Endomondo ...

Under Armour selling MyFitnessPal app for \$345 million ...

Now since Under Armour was busy cleaning house, they decided to put the Halloween knife into Endomondo. This isn't surprising. Endomondo has largely been waning for a few years now, though ironically I've actually used it while doing my Samsung Gear fitness watch reviews over the last few years, because it's the easiest app to get data out of properly.
