In the film, a pompous academic is arguing with Allen in a cinema queue when McLuhan suddenly appears and silences him, saying, "You know nothing of my work." This was one of McLuhan's most frequent statements to and about those who disagreed with him. Death. In September 1979, McLuhan suffered a stroke which affected his ability to speak. The University of Toronto's School of Graduate Studies tried to close his research centre shortly thereafter, but was deterred by substantial protests ...
