The Rhine - Saga

Summary. Explore the charming towns and iconic cities of the Rhine by water, cable car and on foot. Starting in famed Cologne, you'll glide to Koblenz, through the magnificent Lorelei Passage to little Rüdesheim, Speyer, Strasbourg and Breisach before ending in arty Basel. From cobbled alleys and towering cathedrals to vast vineyards and beautiful lakeside scenery, you'll experience the best of city, town, and countryside as you float along this delightful waterway.

Rhine River Cruises 2021/2022 | Riviera Travel

The fact that cheap water transport on the Rhine helped to keep prices of raw materials down was the main reason the river became a major axis of industrial production: one-fifth of the world's chemical industries are now manufacturing along the Rhine. The river was long a source of political dissension in Europe, but this has given way to international concern for ecological safeguards as pollution levels have risen; some 6,000 toxic substances have been identified in Rhine waters.

Next to Reichenau in Tamins the Anterior Rhine and the Posterior Rhine join and form the Alpine Rhine. The river makes a distinctive turn to the north near Chur. This section is nearly 86 km long, and descends from a height of 599 m to 396 m. It flows through a wide glacial Alpine valley known as the Rhine Valley (German: Rheintal).

Rhine - Wikipedia

And in between, uncover the region's rich history and culture for yourself, whether you're passionate about the fascinating cathedrals and castles of central Europe, awed by the sheer scale of its forests, mountains and waters, or just want to discover why visitors have been drawn to the Rhine for centuries.
